7th February 2020

Dear parent/carer/student,

Ski Trip FOLGARIDA 2020

The long awaited ski trip is nearly here! I promised a final details letter and here they are:

Our coach company, Skills Coaches, will be arriving at school on Friday 14th February at 10am and therefore students should arrive at school at normal time e.g. by 8.45. Students will NOT need to be in school uniform or need any books for the day. All students should leave their luggage in the NDW and then go to registration as per normal. After registration students should go to the sports hall. **Luggage space under the coach is at a premium and therefore only one bag will be allowed in the hold and one small bag (containing toothbrush/paste, basic washing equipment, packed lunch, snack and drinks) allowed on the coach.** Our first meal with Ski and Snow will be dinner on Saturday 15th February and so that means that students will also need to have some money on them (£s AND euros) to buy meals either on the ferry or at the services as we stop through France.

When we arrive in Folgarida, I shall telephone Mrs Gaston to notify her of our safe arrival. We will do our best whilst away to update both the school's Facebook account, website and Twitter page of our adventures. The hotel details are:

Hotel Union
1 Piazzale Belvedere
Folgarida
ITALY 38025
Tel: 00390463986294 (EMERGENCIES ONLY)

On our return, we estimate that our arrival back at school will be approximately 8pm on Friday 21st February. In order to keep parents informed of the exact time of our arrival back at school, I have organised a contact chain which will mean that early in the afternoon you will receive a phone call from one of the chain to let you know more precisely when we are due back to school.

In the event of an **emergency** for the duration of the ski trip, I can be reached on the following mobile number: 07785467570

As we leave shortly, I would be very grateful if you could:

- Check that all essentials are packed, e.g. sallopettes, goggles and towels, etc.
- Ensure students have their jackets, some food and drink, sterling and euros to spend on the journey on them when they board the coach.
- Have TRAVEL SICKNESS tablets in their hand luggage.....just in case. The mountain roads can be intimidating for even the strongest constitution!!
- Remind all students that their phones will be taken off them before going to bed and returned to them the following day to encourage a restful night's sleep.
- Reinforce to students that they are expected to show the highest standards of behaviour at all times whilst on this trip. **Any incidences of unsuitable conduct may result in the student being returned to the UK at the expense of the parents/carers.**

Thank you for your support in making this trip happen, especially those parents in the contact chain, and I look forward to seeing you safe and sound on our return. If you have any questions about the ski trip please do not hesitate to contact me at school before the 13th February.

Yours sincerely
