

Fairfield High School Online Timetable 2020

Please see below some important information regarding your child's online timetable. Staff will be posting work and learning resources on Google Classroom, which can be accessed at any time, and we encourage students to access the platform with parents to make sure they can log in and navigate around the site. Any issues with logging in, please email Mr Lloyd (olloyd@gvsc.org.uk) or Mr Waterhouse (swaterhouse@gvsc.org.uk) who will happily assist you.

To begin with, we have decided to follow a two week timetable just as we do at school; this will allow both staff and students the opportunity to build up their confidence with delivering and participating in lessons via the online platform. We will review the timetable once we gain feedback from staff and students on its functionality. Please bear with staff during the first few lessons; this is a completely new way of delivering lessons and it will be a learning process for all involved.

We will commence the timetable on *Monday 20th April*, following **Week B**, as we would if we were still in school. Please can you ensure your child has logged on 5 minutes before the scheduled start time of their lesson. Guidance on how to access Google Classroom and then, once you are in, to access Google Meet has been attached to this letter. The codes to join both Google Classroom and Google Meet can be found after the timetable below.

Week B				
Monday	9-9:45	10-10:45	11-11:45	12:12:45
Year 10	PE Joe Wicks (Google Joe Wicks YouTube)			Spanish: All Groups (SMP)
