

28th July 2020

Dear Year 11 students, parents and carers

Collecting your GCSE results and Prom Information

We are looking forward to seeing you on **Thursday, August 20th** to collect your GCSE results from school. You can come in any time from 10am – 12pm; after that results will be posted home first class. We are only allowed to give results to the **student**, so if you can't come in for your results then you must send a letter giving permission to the person who is collecting them for you (including your parents/carers).

We will only be giving out Year 11 results on this day – Year 10 will have theirs posted home.

We know that you will all be sensible with social distancing and we feel that this special day is something we would really like to share together, so we hope you can make it.

As you know, the government is still not authorising gatherings of more than 30 people from mixed households, so we can't make arrangements for the Prom at present. We are working towards an event in November which we hope will be both Presentation Evening and Prom, providing that government regulations allow us to do it! So watch this space. If we can possibly do it for you, we will!

Best wishes to you all

Sue Gaston
